COUNTY NEWS.

Moscow.

Mourn not the routing of the cause of Right. So that the battle has been justly fought. The conquering hosts of Vice may win the fight. And yet must learn their victory is naught.

Defeat is no disgrace to honest men. Provided wrong their only foe has been. The final victors shall be those whose cause makes them the tools of God's all-righteous laws.

Pastor Berkstresser will speak at the Moscow Baptist church next Sunday afternoon at 3 o'clock on the subject "The Church in History". Everyone is cordially invited to attend.

Moscow and Williston High School teams crossed bats here Saturday in the first local ball game of the season, and it was a good one, the score ending 3 to 2 in favor of Moscow. Managers White of the visiting team and Allen of the locals had their boys in splendid shape and each looked well to the playing of their men. The game was played in a gentlemanly manner which spoke highly for the two managers, each of whom insist upon clean ball tactics. Lewis, Rike and Crawford were the batteries for Williston, while Burk, Owen and Bobbitt did themselves proud for Moscow. Lee Ware umpired a good game giving general satisfaction. The local team was somewhat heavier than the Williston youngsters who deserve much credit in playing the Moscow boys such a close game.

Among those who attended the dance in Owen Hall Friday night were Misses Bobbitt and Smith of Rossville. A number of other out of town ladies attended and the affair proved a pleasant one for all present. Good music was furnished by a band from Memphis and it was nearly two o'clock Saturday morning before the dancers had had enough.

Cashier H. M. Boswell and G. C.

Gaither were in Memphis Friday. Miss Ethridge of the Slayden School was a visitor here Friday.

If you have a bit of news, Send it in; Or a joke that will amuse, Send it in; A story that is true, An incident that's new. We want to hear from you Send it in.

Born Monday to Mr. and Mrs. W. H. Pearce, a daughter.

The residence of J. J. Pulliam Esq. caught fire Tuesday and it appeared at first that the structure was doomed, yet prompt assistance and an ample supply of water soon gained control of the flames which were extinguished with a damage of about \$30.00.

Rev. C. A. Davis of Memphis spent Tuesday with local friends.

If dame rumor has it right a wedding of more than ordinary interest will soon be solemnized between a splendid young man of this place and a charming young lady who is quite often a visitor among local friends. In fact everybody here is on tip toe to know about the affair and are watching closely every move of the young man in question who is among the best the writer ever knew. The couple have a host of friends who will shower them with every good wish if they make the rumor a reality.

While the beauties of spring and summer are slowly unfolding themselves to our gaze and our hearts are filled with love for nature's wonderful things, let us also keep in mind the coming County Fair, giving the gentlemen who are taking the lead in this important matter our assistance and encouragement. We've got a chance to boost old Fayette, so let us go to it.

Miss Helen Ware spent the Sabbath with home folks. Miss Helen is attending the Normal school at Memphis. "Our first steps toward God may be in twilight, but the light brightens as we walk in it."

Democratic Mass Convention to Meet April 3.

Thru the press of other work and not reading correctly the call recently issued by the state committee for the manner of choosing delegates to the state convention, the chairman of the democratic county committee of this county failed to call the committee together within the limit of time fixed by the state committee and when called by long distance telephone Wednesday morning he authorized The Falcon to publish this week a call for a mass convention to assemble in the court house in Somerville on April 3 at noon for the purpose of selecting delegates to attend the state convention on May 17 at Nashville.

Any democrat in the county has the right to attend this convention on April 3 and it is hoped by the chairman that the convention will be a representative one and that every district in the county will be represented.

Somerville Has Made The Test.

Somerville People Will Get The Benefit.

There's nobody in Somerville any better known than Mr. Moffatt and in giving his experience with Doan's Kidney Pills, for the benefit of Somerville kidney sufferers, he has nothing whatever to gain.

Why experiment with unknown or imitation kidney remedies when you have such a good reason to try Doan's? Profit by the test Mr. Moffatt made for you.

J. W. Moffatt, county agent for Fayette Co., U. S. Dept. of Agriculture, Somerville, says: "I suffered from soreness across my back and my kidneys acted too frequently. I had nervous and dizzy spells and my health was all run down. Doan's Kidney Pills gave me quick relief and since I used three boxes, I have felt fine. When I have taken cold or have over-worked and felt the least sign of kidney complaint since, a few doses of Doan's Kidney Pills have brought me relief."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same the Mr. Moffatt had. Foster-Milburn Co., Props., Buffalo, N. Y.
